- Negativa: Subject + be + not + going to + verb → He isn't going to work.
- Interrogativa: Be + subject + going to + verb? → Are you going to study?

Exemplo de Poesia

"My Future Job"

Tomorrow I will dream,
Of the place where I will be.
I'm going to be a teacher,
And students will learn with me.

I will work with joy,
And knowledge I will share.
The future is going to shine,
Because my job will be there.
